ABOUT THE COTS WALK

The **34th annual COTS Walk** is an in-person 3.5-mile trek in downtown Burlington following the path a person facing the crisis of homelessness would travel to connect with COTS shelters, housing, and prevention services. Walkers will start and end in Battery Park, with music and family-friendly activities.

This is our *largest* annual event and a critical fundraiser. Thanks to the support of our generous sponsors, **all** of the money raised by walkers goes *directly* to support our work.

WHY IT MATTERS

The COTS Walk has two important purposes:

- To increase understanding and awareness about homelessness in our community, and;
- To raise money to support critical COTS services year-round.

WHAT YOU WILL SEE

INTENTIONAL ROUTE: Follow our traditional COTS Walk route, which begins at Battery Park, travels down the Church Street Marketplace, up Main Street, and out into surrounding neighborhoods. Walk visitors will see inside COTS' many buildings and learn more about our story and the stories of the people we serve.

WHO JOINS US: Every year, about 2,000 walkers of all ages from businesses, schools, social organizations, religious groups, and neighborhoods come together from the region to participate in the annual COTS Walk.

ABOUT COTS

OUR MISSION

“COTS provides emergency shelter, services, and housing for people who are homeless or marginally housed in Vermont. COTS advocates for long-term solutions to end homelessness.”

COTS, founded in 1982, is the largest service provider for people experiencing homelessness and at risk of becoming homeless in Vermont. COTS is a nonprofit organization that advocates for long-term solutions to end homelessness while providing emergency shelter, services, homelessness prevention, and housing for people who are homeless or marginally housed.

We believe in the value and dignity of every human life; that housing is a fundamental human right; that emergency shelter is not the solution to homelessness.

**COTS SERVED 1,366 PEOPLE,
INCLUDING 317 CHILDREN,
LAST YEAR.**

TALKING ABOUT HOMELESSNESS

OUR THEME THIS YEAR

The COTS Walk is designed to be educational, engaging, and interactive. Our 2023 Walk theme, which will be incorporated into all aspects of the Walk, is: “sing a song of home.”

There is no one face of homelessness. While there are similarities, each person’s experience with homelessness and search for home is unique. We will honor their stories at the Walk.

Did you know?

- 1.5 million students (K-12) in the U.S. are homeless;
- Most homeless families “double up/couch surf”;
- 55 percent of children in shelters are infants (under age 1) and young children (age 6 and younger) – 10 and 45 percent, respectively.

EDUCATIONAL RESOURCES

Learn about SPENT

SPENT is a COTS-adapted, hands-on educational game to help players understand the challenges of living on an extremely tight budget. SPENT can be played in three versions, which are modifications of the classic games Jenga, Twister, and Marble Madness. SPENT is designed to be played with all ages, at events, and in community or classroom settings.

Find more COTS education offerings, including books, at cotsonline.org.

COTS has created **educational tools** for *parents* and *teachers* to use at home and in classrooms. These materials can stand alone or be integrated into existing curricula. COTS also offers speakers to provide additional background, guide classroom discussions, and offer a deeper understanding. Our questions and conversations are designed to be respectful, informative, and effective at inviting children and adults to ask questions, allowing them to learn more and dispel myths and misconceptions about the causes and the realities of homelessness. This valuable experience also empowers attendees to be part of the solution to ending homelessness.

WAYS TO PARTICIPATE

BE A WALKER

Set a fundraising goal, and ask friends, classmates, coworkers, family, and neighbors, in person and online, to make a pledge. And, join us virtually Walk Day to "walk the walk."

TAKE THE 'CHALLENGE'

If you raise at least **\$1,000 as an individual** -- or *\$2,500 as a team* -- a Challenge grant from an anonymous donor will match your Walk donations up to \$15,000. Challenge Walkers and Teams receive exclusive COTS swag, certificates, and public recognition in COTS communications and at our Annual Meeting & Volunteer Appreciation Breakfast.

WALK WITH A TEAM

The COTS Walk is especially fun when you walk with a group: classmates, co-workers, friends, family, and neighbors. Give your team a name and come up with creative ways to show your team spirit. Share photos of your team's experience on social media, tag COTS, and include #COTSWalk. For students, this is a great way to fulfill community service requirements and to develop your leadership skills.

MAKE A DONATION

Making a gift to COTS in honor of the COTS Walk is a valuable way you can help COTS reach its fundraising goal. Donate to help yourself reach your fundraising goal or donate to help another Walker reach their goal:

SAMPLE MESSAGE FOR YOU

Unsure about what to write in your email or letter ask to family and friends? Here is an example you can use, edit, or personalize:

Dear <Friend>,

I have accepted the “COTS Walk Challenge” to raise \$1,000 for COTS (Committee on Temporary Shelter). COTS is Vermont’s largest service provider for people who are homeless or at risk of becoming homeless. COTS works to end homelessness through prevention in addition to providing emergency shelters for people who are in crisis.

Thanks to generous sponsors, every dollar I raise will go directly to support and services for families and individuals facing homelessness. Please help me reach my fundraising goal. You can write a check, donate cash, or give online through my secure link: <insert the link generated at the top of my fundraising page>. Gifts are tax-deductible.

Please feel free to share my message with others, and learn more about COTS at www.cotsonline.org. **Thank you** for your support.

Sincerely, <Me>
